

SUMMARY

2 day workshop on “Printed Circuit Design and manufacturing” for Final year students

| Description | Details |
|-----------------------------------|--|
| Name & Address of Resource person | Mr. Surajkumar B. Kalsait, Chief Technical Officer, Indium Tech, Kolhapur |
| Dates of workshop conducted | 11 th and 13 th January 2025 |
| Time | 09:00 am to 06:00 pm for both days |
| Class | Final Year B. Tech Electronics & Telecommunication Engineering |
| Number of students participated | 62 students |
| Outcome | <ul style="list-style-type: none"> Students learned the PCB schematic and layout design on KiCAD software Students manufactured own printed circuit board They can become entrepreneur in the field of PCB Design |

Day 1- 11th January 2025

Inauguration function

Schematic Design

Day 2- 13th January 2025

PCB manufactured by students
