ACTIVITY REPORT

Workshop on

One Nation One Subscription

Organized by

Institution's Innovation Council – SUK
School of Engineering and Technology, Shivaji University,
Electronics & Telecommunication Engineering program

In collaboration with the
SUK Research and Development Foundation (SUKRDF)
Shivaji University Centre for Innovation, Incubation and Linkages (SCIIL)

Venue:
School of Engineering and Technology,
Shivaji University, Kolhapur

Day and Date:
Monday, 12th October 2026, 11.15 am to 12.30 pm

School of Engineering & Technology

Shivaji University, Kolhapur

Estd. 1962

WORKSHOP ON

EFFECTIVE LITERATURE SEARCHING, RESEARCH DISCOVERY & RESPONSIBLE USE OF AI IN ACADEMIC RESEARCH

(One Nation One Subscription)

RESOURCE PERSON

Mr. Gaurav Vinayak Date

Training Manager,
EBSCO Information Services

Supports academic institutions, researchers, faculty, students and libraries in using scholarly information resources and IEEE Xplore Digital Library. Brings over 18 years of experience in training, education and customer engagement.

KEY AREAS

- Effective literature searching and research discovery
- Scholarly information resources and IEEE Xplore
- Scholarly publishing and research information management
- Responsible use of AI in academic research

PURPOSE

The workshop aims to strengthen research skills by introducing effective search strategies, digital scholarly resources, and responsible AI practices for academic research.

Date
12 October 2026

Venue
School of Engineering & Technology, Shivaji University, Kolhapur

Time
11.15 to 12.30

Dr. A. B. Kolekar
Director
School of Engineering & Technology
Shivaji University, Kolhapur

Dr. S. B. Chavan
Co-ordinator
Electronics and Telecommunication Engineering

Title of the event:	Effective Literature Searching, Research Discovery, Scholarly Publishing, and Responsible Use of AI in Academic Research.
Type of event: (seminar/workshops/FDP/ STPP/conference/Training/ Alum talks, etc.):	Training
Level:	II
Program theme:	One Nation One Subscription
Day and Date of the event:	Monday, 12th October 2026, 11.15 am to 12.30 pm
Objectives of the event	• To familiarize participants with effective literature-searching techniques and scholarly information resources. • To demonstrate the use of digital research tools for discovering relevant academic literature. • To enhance awareness of scholarly publishing practices and research information management. • To promote the responsible and ethical use of AI tools in academic research.
Key Outcomes of The Activity	• To demonstrate the use of digital research tools for discovering relevant academic literature. • To enhance awareness of scholarly publishing practices and research information management. • To promote the responsible and ethical use of AI tools in academic research.

Participant details:	The program was open to students and faculty members.

A. Students:	Total: 65
B. Faculty:	Total: 16

Photographs:	Attached at the end of the report
Media coverage:	-The workshop on "Effective Literature Searching, Research Discovery and Responsible Use of AI in Academic Research" under the initiative One Nation One Subscription (ONOS) was publicized through departmental communication channels to inform students and faculty members about the programme. The workshop details, including the resource person, objectives, date, time, and venue, were shared to encourage participation and create awareness about the importance of scholarly information resources and digital research tools. Photographs of the workshop, resource person, and participant interactions were documented for departmental records and institutional reporting. The event was also recorded as part of the department's academic activities to highlight its efforts toward promoting research awareness, effective literature searching, scholarly publishing, and the ethical use of artificial intelligence in academic research.
Feedback received from the guests/participants	The participants appreciated the informative and interactive session. They found the workshop useful for understanding literature searching, scholarly databases, research publishing, and the responsible use of AI in academic research. Overall, the programme was well received and enhanced their awareness of digital research resources and the ONOS initiative.

❖ **Introduction:**

The School of Engineering & Technology, Shivaji University, Kolhapur, organized a workshop on **"Effective Literature Searching, Research Discovery and Responsible Use of AI in Academic Research"** under the *One Nation One Subscription (ONOS)* initiative on 12 October 2026, from **11:15 AM to 12:30 PM**. The workshop was organized with the objective of creating awareness among faculty members, research scholars, and students about effective literature-searching strategies, scholarly information resources, research discovery platforms, and the responsible use of Artificial Intelligence (AI) in academic research.

The programme was graced by **Dr. A. B. Kolekar, Director, School of Engineering & Technology, Shivaji University, Kolhapur**, as the dignitary. The programme commenced with a warm welcome by **Mrs. Shweta R. Patil**, who welcomed the dignitary and participants and highlighted the importance of developing effective research skills in the present academic environment. The workshop emphasized the significance of systematic literature searching, identifying relevant and reliable research publications, exploring scholarly databases, and accessing quality academic resources to support research activities.

The session focused on the effective use of digital research resources and discovery tools for identifying relevant research papers, reviewing existing literature, understanding emerging research trends, and recognizing research gaps. Special emphasis was placed on the *One Nation One Subscription (ONOS)* initiative and its role in facilitating access to scholarly journals and academic publications. The programme also highlighted the appropriate and ethical use of Artificial Intelligence tools in research, including their application in literature exploration, research organization, and academic writing. Participants were made aware of the importance of maintaining research integrity, ensuring the authenticity of information, avoiding plagiarism, and following ethical practices while using AI-assisted research tools.

Dr. S. B. Chavan, Coordinator of the programme, facilitated the organization and smooth conduct of the workshop. The session offered valuable insights into the effective utilization of scholarly information resources and digital platforms, helping participants strengthen their literature-review practices and improve their understanding of contemporary research methodologies. The workshop also encouraged participants to explore available academic resources systematically and incorporate responsible digital research practices into their teaching, learning, and research activities.

The programme concluded with a **vote of thanks delivered by Dr. U. A. Patil**, who expressed sincere gratitude to Dr. A. B. Kolekar, the dignitaries, the organizers, and all participants for their valuable contributions and support. Overall, the workshop was informative and beneficial, providing participants with practical awareness of literature searching, research discovery, scholarly information access, and the responsible application of AI in academic research.

❖ **Aknowledgement:**

The School of Engineering & Technology, Shivaji University, Kolhapur, expresses its sincere gratitude to **Dr. A. B. Kolekar, Director, School of Engineering & Technology**, for his valuable support and guidance in organizing the workshop on **"Effective Literature Searching, Research Discovery and Responsible Use of AI in Academic Research"** under the *One Nation One Subscription (ONOS)* initiative on 12 October 2026.

We extend our sincere thanks to **Dr. S. B. Chavan, Coordinator of the programme**, for coordinating t the workshop and facilitating its smooth and successful conduct. We also express our appreciation to **Mrs. Shweta R. Patil** for welcoming the dignitary and participants, and to **Dr. U. A. Patil** for delivering the vote of thanks.

We are thankful to the university administration, faculty members, research scholars, and all participants for their cooperation and active involvement. Their valuable contributions and support helped make the workshop informative, meaningful, and successful. The programme provided an excellent opportunity to enhance awareness of scholarly information resources, effective literature-searching techniques, and the ethical use of Artificial Intelligence in academic research.

We sincerely acknowledge the support and cooperation of everyone who contributed directly or indirectly to the successful organization of this workshop.

Attendance

School of Engineering and Technology, Shivaji University, Kolhapur

Programme Attendance Sheet

Name of Program: One Nation one subscription

Program Type: Expert talk / Exposure visit/ Mentoring Session /
(Tick mark) Conference / Seminar / Workshop / Competition / Bootcamp

Program Theme: IPR & Technology Transfer / Innovation & Design Thinking /
(Tick mark) Entrepreneurship and Startup / Pre incubation & Incubation Management

Mod of delivery: Online / Offline / Hybrid **Duration (Hrs.):** 1:30 hrs

Participants: SY E&TC, TY E&TC

Day, Date, Time: 12/01/2026 / Monday

Venue: Class Room: 318

Organised by (Name of Dept.) E&TC

Programme coordinator: Dr. S.B. Chavan
